AP Studio Art 3D Design Summer Assignments

Summer Assignments are due the **first day of class!!!** These assignments are an absolute requirement for the course.

+*** **All artworks must be original creations!**

No copying other artworks.

Things you **should** try (which may earn you *extra points*):

Uncommon ideas/subject matter

Interesting combinations of material

Having a focal point

Limited palette or colorschemes, colors expressing a mood or emotion

***** Create 5 Sculptures**

You should work on creating a sculpture within 1 week's time.

Each sculpture should have 1 dominant specific principle of design.

Use a different principle of design for each sculpture

Craftsmanship is very important!!! ... you may work with any materials that you have available.

Remember to consider all sides of your sculpture ... there is no front.

Use different **styles** and a different **color scheme** in each artwork.

***** Be creative, inventive, expressive & most of all have fun creating!**

Recommendations from AP/Collegeboard:

*****Experimentation / Risk taking**

***** Express your Student Voice!**
