

Mr. Gil's 7th Civics Class Supply List

Most 7th Grade Civics activities will be done online or in the form of group projects and class discussions so you do not need any individual supplies other than a set of headphones or earbuds with an auxiliary cable and a folder with pockets and prongs (any color).

Examples:

In addition, please see our list of supplies below. Each student in each period will bring in the following supplies:

1st Period – one pack of copy paper.

2nd Period – one pack of colored pencils or markers.

3rd Period – one box of tissue paper.

5th Period – one roll of towel paper.

6th Period – one roll of towel paper.

Since students may not know their schedule and/or Civics period until right before school starts, supplies will not be due until the second Friday of the school year.

Please email Mr. Gil at ggil@pinescharter.net if you have any questions regarding this supply list.
